Garlic power without garlic after-odor

For years people all over the world have recognized the advantages of a daily garlic regimen. And, now, with CVS Odorless Garlic tablets, you can enjoy all the benefits of whole garlic without an unpleasant after-odor.

Concentrated from garlic cloves

Thanks to a unique process, CVS Odorless Garlic retains many components of garlic bulbs, including the allicin-producing ingredients thought to be responsible for important nutritional benefits.* The result is a form of garlic with only a slight hint of garlic scent. These tablets cause virtually no garlic odor on breath or skin, when used as directed. This product is intentionally designed to exceed the USP disintegration requirements in order to minimize garlic odor and aftertaste.

In a convenient tablet form

Each CVS Odorless Garlic tablet is coated for easy swallowing. Two tablets a day are equivalent to eating one clove of garlic - the commonly suggested dose.

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

KEEP OUT OF REACH OF CHILDREN. STORE IN A DRY PLACE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF BLISTER SEAL IS CUT, TORN OR BROKEN.

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	%Daily Value
Garlic (*Allium sativum*) (bulb)	500 mg	*

*Daily Value not established.

Other Ingredients: Cellulose (Plant Origin), Dicalcium Phosphate, Croscarmellose, Silica, Cellulose Coating, Vegetable Magnesium Stearate, Vegetable Stearic Acid.

Directions: For adults, take one (1) tablet, one to two times daily preferably with a meal. As a reminder, discuss the supplements and medications you take with your health care providers.

Each tablet contains: 500 mg concentrated garlic, equivalent to 1,250 mg of garlic bulb. Two tablets equal 2,500 mg or approximately one clove of garlic.

No yeast, wheat, milk or milk derivatives, lactose, sugar, preservatives, soy, artificial color, artificial flavor, salt.
