NEW

From the Makers of Centrum®

PRO NUTRIENTS™ fruit & veggie

PHYTONUTRIENT SUPPLEMENT

ProNutrients Fruit & Veggie can be taken on its own or as a complement to your multivitamin.

What is ProNutrients Fruit & Veggie?

New ProNutrients Fruit & Veggie is a phytonutrient supplement from the makers of Centrum, the #1 doctor recommended multivitamin brand. It contains a blend of fruits and vegetables, 100% naturally sourced from grapes, blueberries, raspberries, plums, carrots, and tomatoes.

Why take ProNutrients Fruit & Veggie?

Each MiniTab of ProNutrients Fruit & Veggie harnesses the power equal to a serving of a blend of fruits and vegetables.† The convenient MiniTabs are an easy way to supplement your diet. Take ProNutrients Fruit & Veggie on its own or as a complement to your multivitamin and as part of a diet rich in fruits and vegetables.

For more information on ProNutrients Fruit & Veggie and other ProNutrients supplements, please visit www.ProNutrients.com.

†Based on the average ORAC values for the top 10 most commonly consumed fruits and vegetables in the US. ORAC measures the antioxidant capacity of fruits and vegetables. This product is not intended to replace your daily intake of fruit and vegetables.
