- **10 natural flora probiotic strains**
- **Provides live microorganisms**

PLEASE RECYCLE

Beneficial bacteria can help support healthy intestinal flora balance*

Humans' intestinal flora is naturally colonized by trillions of microorganisms. Maintaining a natural balance between all bacteria species is important for overall digestive health. **CVS/pharmacy® Probiotic** is a proprietary probiotic blend containing 10 different strains of friendly bacteria and, when taken daily, helps naturally balance the digestive flora.*

DIRECTIONS Adults and Adolescents 12 years and older: As a dietary supplement for intestinal micro-flora balance*, take one capsule daily at mealtime.

KEEP OUT OF REACH OF CHILDREN.

STORE at 72°F, or cooler. Do not expose to excessive heat, or moisture.

Do not use if seal is broken.

No refrigeration needed.
