mellose, Glycerol Monostearate, Triethyl Citrate, Vanillin, Polyethylene Glycol, d-Alpha Tocopherol (Soy), Povidone, Natural/Artificial Vanilla Flavor, Polysorbate 80.

The enteric coating reduces the fishy odor and aftertaste by protecting the softgel until it reaches the lower intestine. This results in more EFAs (Essential Fatty Acids) available for absorption.

Fish Oil naturally contains the Omega-3 Fatty Acids, EPA and DHA. Omega-3 Fatty Acids help maintain heart and vascular health.*

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested use: Take one softgel three times daily with a full glass of water, preferably after a meal.

If pregnant, nursing or taking any medications, consult your healthcare professional before taking this product.

Keep out of the reach of children.

Keep in a cool dry place, tightly closed.

Avoid excessive heat.
