From the Makers of Centrum®

PRO NUTRIENTS®

Vitamin D3

Can be taken on its own or as a complement to your multivitamin

Why Take ProNutrients Vitamin D3?

New ProNutrients Vitamin D3 contains 1,000 IU of the most recommended form of Vitamin D to support **bone health, muscle health** and **healthy movement.***

Vitamin D3 plays an important role in maintaining strong bones and also plays a role in maintaining muscle health and healthy movement.* Yet, many Americans do not get adequate amounts of essential Vitamin D from sunlight and get very limited amounts in their diets.
