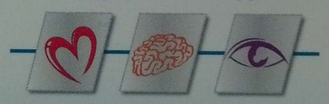
What is ProNutrients Omega-3?

New ProNutrients Omega-3 is from the makers of Centrum, the #1 doctor recommended multivitamin brand. ProNutrients Omega-3 contains two of the most scientifically studied Omega-3s (EPA and DHA) found in fish oil. In fact, up to 90%†† of the Omega-3s in ProNutrients are EPA & DHA (600 mg per serving), the types of Omega-3s linked to health benefits.*

Why take ProNutrients Omega-3?

ProNutrients Omega-3 contains a unique formula with nutrients (EPA/DHA) that provide triple action support:

1. Heart Health*
2. Brain Structure*
3. Eye Structure*



ProNutrients Omega-3 is sourced exclusively from sustainable fish sources, designed in ultra concentrated MiniGels, and is enteric coated to control fishy burps. ProNutrients Omega-3s are highly purified and quality controlled so that you can be confident you're getting the nutrition you need for your heart, brain, and eyes.*
