Acetyl-Glutathione 300 mg

Acetyl-Glutathione 300 mg is a novel oral glutathione formulation that is stable in the stomach and gastrointestinal tract, well absorbed, and able to enter the cells directly and present to the cytosol for mitochondrial entry.* Acetyl-Glutathione 300 mg uses pure Emothion™ glutathione as the starting material.**

Suggested Use

As a dietary supplement, 1 tablet daily on an empty stomach, or as directed by a healthcare practitioner.

Keep in a cool, dry place, tightly capped and out of the reach of children.
