Full Spectrum Vitamin K

Full Spectrum Vitamin K is a comprehensive vitamin K formula containing vitamins K1 and K2, as well as vitamins A and D, and vitamin E as gamma and delta tocotrienols.

Suggested Use

As a dietary supplement, 1 softgel one or two times daily with meals, or as directed by a healthcare practitioner. Taking with a fat-containing meal may further enhance absorption.

Contraindicated with use of anticoagulant drugs.

Keep in a cool, dry place, tightly capped.

Contains: **Soy**, **fish.**
