Adrenal Cortex

Natural Glandular

Provides tissue from the cortex portion of the adrenal gland. This natural glandular material is derived from cattle born and raised in Argentina, a country free from Bovine Spongiform Encephalopathy (BSE). This replaces item #70530.

Suggested Use

As a dietary supplement, 1 capsule daily with a meal, or as directed by a healthcare practitioner.

Caution: Must be taken with food as GI distress may otherwise occur. If GI distress occurs with food, discontinue. Higher dose or long-term use should only occur under the guidance of a healthcare practitioner.
