DHA Fish Oil Concentrate

A rich source of docosahexaenoic acid (DHA, C22:6 ω-3) prepared from molecularly distilled cold water fish oil. Provides a minimum of 45% DHA in an easy-to-swallow, small softgel. Every batch is tested to insure purity and the absence of potential contaminants.

Suggested Use

As a dietary supplement, 1 or 2 softgels two or three times daily with meals, or as directed by a healthcare practitioner.
Variations in product color may occur. Keep in a cool, dry place, tightly capped.

Contains: **Fish.**
