Molecular H2

Specialized magnesium formulated to create hydrogen when added to non-carbonated water. Water infused with hydrogen, the smallest and purest antioxidant, provides powerful free radical quenching power.*

Suggested Use

As a dietary supplement, drop 1 tablet in 12-16 oz. of filtered water, wait for it to break down, gently stirring if desired, then drink immediately. Take one to three times daily, or as directed by a healthcare practitioner.

Variations in product color may occur.

Keep in a cool, dry place, tightly capped. Keep out of reach of children. Consult with your healthcare practitioner before use if you are pregnant or nursing.
