SynovoDerma

A patented hyaluronic acid (HA) formula, prepared using a proprietary enzymatic process to reduce the molecular weight to between 50,000 - 200,000 Daltons. HA is extracted from cockscomb.

Suggested Use

As a dietary supplement, 6 softgels daily for 20 days then reduce dosage to 3 softgels daily, or as directed by a healthcare practitioner.

May be taken with or without food.

Keep in a cool, dry place, tightly capped.
