DIETARY SUPPLEMENT

HUPERZINE A

FOR LEARNING AND MEMORY*

200 MCG • 120 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving
Huperzine A (from *Huperzia serrata* whole plant extract)	200 mcg†

†Daily Value not established.

Other ingredients: microcrystalline cellulose, and stearic acid.

Huperzine A is a natural compound extracted from the Chinese club moss *Huperzia serrata*. Worldwide studies have shown that Huperzine A supports learning and memory by protecting acetylcholine, a neurotransmitter that acts as a messenger molecule in the brain. Huperzine A may be used for both short-term "brain boost" needs, such as preparing for a test, as well as more long-term needs, such as reducing the mild memory loss associated with normal aging.*

Suggested Use: 1 tablet daily.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

WARNING: For adult use only. Do not use this product if you are pregnant, may become pregnant, or breastfeeding. Consult with your physician prior to use if you have high blood pressure or heart problems or are currently taking any prescription drugs including anticholinergic drugs, acetylcholinesterase inhibitors, or cholinergic drugs. Discontinue use or reduce dosage and consult your physician if the following symptoms develop: nausea, vomiting, diarrhea, incontinence, or muscle twitches. Do not exceed recommended intake.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservative, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
