have an intestinal disease. Consult a healthcare professional if you notice a sudden change in bowel habits that persist over two weeks. Rectal bleeding or failure to move bowels after use may indicate a serious condition. If you experience any of these symptoms, discontinue use and consult a healthcare professional.

NOTICE: This product contains cascara sagrada which can have a stimulant laxative effect. Read and follow directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain, because cascara sagrada may worsen these conditions, and be harmful to your health.** Consult a healthcare professional if you have frequent diarrhea, or if you are pregnant, nursing, taking medications, or have a medical condition.
