Recommendation: Day 1-8: Take 5 tablets with 8 ounces of liquid in the evening. **Day 9-10:** Take 3 tablets with 8 ounces of liquid in the evening. Reduce dosage if you experience abdominal discomfort or diarrhea. If discomfort persists, discontinue use.

Warning: Do not use this product if you are pregnant, nursing, attempting to become pregnant, or under the age of 12. Do not exceed recommended dose, or take longer than the recommended period, as frequent or prolonged use may result in dependence. Do not use when abdominal pain, nausea, or vomiting are present. Consult a healthcare professional if you notice a sudden change in bowel habits that persist over two weeks. Rectal bleeding or failure to move bowels after use may indicate a serious condition. If you experience any of these symptoms, discontinue use and consult a healthcare professional. Do not use if you are allergic to plants of the *Asteraceae (Compositae)* family, including ragweed, or if you have bile duct obstruction. This product contains Slippery Elm. Slippery Elm should not be taken together with any medication as it may interfere with their absorption. If you have diabetes, gallstones, kidney disease, or are taking any medications, consult a healthcare professional before use.
