Dear Body,

I know I often compare you to what's on TV and in super photoshopped ads but today I commit to

having the strength to be my best. Not just anyone, but the best version of me. Because

this world tries desperately to make us feel unworthy and not good enough, but my self worth isn't

determined by others. I will celebrate both your toned and your squishy parts. I will work out

whole food nutrition. Human food can nourish, heal, and transform. Because I love you, and I love

Now let's cleanse, balance and energize the healthy way!

Sincerely,
