## RapidRelief™

You can maintain optimum health, when you give your body the right support. Gaia Herbs' RapidRelief® products deliver results fast so you don't interrupt your active life.

## Throat Shield™ Lozenges

A healthy throat is moist and consists of a mucous membrane layer, which acts as a protective barrier. Aloe, Sage, and Myrrh help maintain the normal protective lining in the throat by providing hydration and immune support.\* Polysaccharides naturally found in this proprietary blend have immune supportive characteristics that help the membranes of the throat support a normal inflammatory response.\*
