Dear Body,

I know I often compare you to what's on tv and in super photoshopped ads but today I commit to

having the strength to be my best. Not just anyone, not just the boss but my own. Because

this world tries desperately to make us feel powerless and worthless and not good enough, but my self worth isn't

determined by others. I will celebrate both your toned and your squishy parts. I will work out

whole food nutrition. Human food can instill a sense of well-being and energize the healthy way!

Now let's cleanse, balance and energize the healthy way!

Sincerely,

Self
