The energy shot that works as long as you do.™

Most of us work longer than five hours. It's time for a product that covers the entire work day. We use revolutionary controlled-release technology to deliver continuous energy and focus for 10 hours![1]

www.10energyshot.com | twitter.com/10energyshot | facebook.com/10energyshot

RECOMMENDED USE: Consume one bottle at the start of your day. Do not exceed one bottle in a 24 hour period. Use or discard remaining contents within 72 hours of opening. Find out more at 10energyshot.com

WARNING: † Do not use if you are pregnant, nursing or under 18 years of age. Do not exceed one bottle daily. This product is for when you need increased alertness (focus) or stimulation (energy). For occasional use only. Consult your doctor before use if you have any medical conditions, are taking medication or are experiencing prolonged fatigue or drowsiness.

This product contains an initial 222 mg of caffeine followed by additional controlled-release caffeine over several hours. Excessive caffeine intake may cause nervousness, occasional rapid heartbeat, anxiety, or sleeplessness. Do not use with other products containing caffeine. *Works as long as you do* based on an 8 hour work day. Individual results may vary. *Zero crash from sugar.
