Vitamin Code® Family Formula is a comprehensive, whole food multi-nutrient formula with **RAW Food-Created Nutrients™** for targeted delivery of vitamins and minerals. Your body recognizes nutrients from food best. Each individual nutrient from food comes with its own unique cofactors to tell your body where to use it for maximum benefit. Individually cultivated with their Code Factors™ intact, proprietary **Vitamin Code® RAW Food–Created Nutrients™** are naturally recognized by your body and nourish as intended by nature for energy and support of heart health, normal digestion and a healthy immune system.†
