FAT INCINERATING • MOOD ENHANCING • ENERGIZING • **NEW** FAT INCINERATING • MOOD ENHANCING • ENERGIZING • FAT INCINERATING • MOOD ENHANCING • ENERGIZING • FAT IN

Emerge is a powerful fat loss and body composition slendarizing system specially formulated to inhibit appetite, promote the release of fat from stored fat cells and accelerate the burning of fat for fuel. **Emerge** contains clinically proven weight loss ingredients to suppress appetite, provide maximum calorie burning specifically from fat, increase energy and elevate the body's metabolism. The combination of selected ingredients promotes a metabolic shift; scientists describe as "fuel partitioning" by shifting the burning of fat vs fuel rather then fat for storage. By using a product like **Emerge**, fuel partitioning benefits can ultimately lead to enhanced lean body composition changes.

Emerge contains the patented ingredient Advantra Z™, an extract of the citrus fruit Citrus aurantium. Advantra Z™ has been shown to be safe and effective in humans in stimulating metabolic thermogenesis, increasing the breakdown of fat, increasing the ratio of lean muscle to total body mass, improving athletic performance and exerting an appetite suppressing effect. Green Tea Extract boosts and supports mood, enhances energy and promotes a sense of well-being. The addition of Panax Ginseng and Glucuronolactone further promotes well being, energy, mood and focus. Caffeine enhances the effectiveness of Advantra Z™, Green Tea Extract and Panax Ginseng. L-Carnitine is absolutely essential for all fat burning processes to take place in cells and the body cannot burn a single molecule of fat without L-Carnitine. L-Taurine is a sulfur containing amino acid and the combination of caffeine and L-taurine appears to be beneficial in enhancing endurance performance. Octopamine is known to exert adrenergic effects in mammals stimulating alpha(2)-adrenoceptors and stimulating fat breakdown through beta(3)-adrenoreceptors. NADH is the body's energy transporter. The NADH molecule is how the body transports energy during muscular contraction as well as countless other reactions. Adenosine is found in ATP, the energy molecule in the body. Vinpocetine has the ability to dilate blood vessels thereby enhancing circulation and improving oxygen utilization for support of fat cell use as energy. Vinpocetine also has antioxidant properties. Evodiamine is a unique compound that acts on the vanilloid receptors to help with body fat utilization.

Emerge will provide you with the most complete and satisfying body composition optimizing system to produce the great body you are after.

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician before starting any diet and exercise program and before using this product. Do not take this product if you have a medical condition or taking any medications. Discontinue use and call a physician or licensed health care professional immediately if you experience unexpected side effects. Improper use of this product may be hazardous to a person's health. Stay well hydrated throughout the day by drinking at least 2 liters of water daily when using this product.

MADE IN THE USA

emerge™

BODY SLENDERIZING DRINK MIX

- Promotes Appetite Suppression and Weight Loss†
- Stimulates Fat Metabolism†
- Enhances Mood, Alertness and Focus†

Watermelon Splash

Dietary Supplement • **Net Wt. 540 g (1.19 lbs)**

DIRECTIONS: As a dietary supplement test your tolerance by taking one half (1/2) scoop with 8 - 16 oz of cold water. After tolerance test, you may take one (1) scoop with cold water. Water can be adjusted up to 16 ounces for taste preference. Stay well hydrated throughout the day while using this product especially in hot and humid temperatures. **DO NOT TAKE AFTER 6 PM. MAY CAUSE SLEEPLESSNESS. DO NOT EXCEED FOUR (4) SCOOPS PER DAY.**

MUST REFRIGERATE AFTER OPENING FOR QUALITY.

Supplement Facts

Serving Size: 1 Scoop (Approx. 18 g)
Servings Per Container: 30

	Amount Per Serving	% DV*
Calories: 70		
Calories from Fat: 0		
Total Carbohydrate	16 g	5%
Fiber	10 g	40%
Sugars	4 g	**
Vitamin C (as ascorbic acid)	250 mg	416%
Niacin (as nicaminamide)	21 mg	105%
Vitamin B6 (as pyridoxine hydrochloride)	2 mg	100%
Vitamin B12 (as methylcobalamin)	2 mcg	33%
Proprietary Emerge Slenderizing Complex	1087 mg	**

Caffeine (anhydrous), Dandelion Leaf Extract (4:1), Green Tea Extract (*Camellia sinensis*) (leaf, 45% EGCG), Hoodia gordonii, Advantra Z™ (*Citrus aurantium*, 60% synephrine alkaloids), L-Taurine, Panax Ginseng Powder, Glucuronolactone, Adenosine, Octopamine, L-Carnitine, Yohimbine, Vinpocetine, NADH, Evodiamine

*Percent Daily Values are based on a 2,000 calorie diet.
**Daily Value not established.

OTHER INGREDIENTS: 1 Sta-Lite III Polydextrose, Fructose, Fibersol-2®, Malic Acid, Citric Acid, Natural & Artificial Flavors (FD&C Red No. 40), Tri-Calcium Phosphate, Acesulfame Potassium, Sucralose Sweetener, Silicon Dioxide.

ADVANTRA Z Advantra Z™ is a registered trademark of Nutratech, Inc./Zhishin, LLC licensee of U.S. Patents 6,204,875; 6,316,496; 6,340,481; 6,340,481 and Canadian Patent 2,248,864.

ALLERGY INFORMATION: Manufactured in a facility that processes milk, soy and egg proteins, peanuts, other tree nuts and wheat.

Contains 300 mg Caffeine per serving.

SHAKE CONTAINER BEFORE EACH USE TO COMPLETELY DISTRIBUTE INGREDIENTS. BEFORE STORING IN A COOL AND DRY PLACE AWAY FROM MOISTURE, SUNLIGHT AND EXCESS HEAT. AFTER OPENING REFRIGERATE FOR QUALITY. EXPOSURE TO MOISTURE AND HUMIDITY CAN CAUSE PRODUCT TO CAKE, CLUMP OR DISCOLOR. ALWAYS KEEP TIGHTLY SEALED.
