Support a healthy heart! **Cholesterol Complex with Plant Sterols** is a powerful blend of nutrients designed to naturally support healthy cholesterol levels. This formula includes policosanol, a complex nutrient that has both antioxidant effects and supports liver cholesterol metabolism. Corowise™ plant sterols are natural components found in plants that may help excrete cholesterol from the body. In conjunction with a healthy diet, Cholesterol Complex with Plant Sterols helps support cholesterol levels already within a normal range.†
