SUPPLEMENT FACTS

Serving Size 1 fl. oz. (30 mL) (1 FL OZ)

Amount Per Serving	% Daily Value
Calories 0	
Sodium 35 mg	1%
Potassium 5 mg	0%
Calcium 10 mg (as citrate)	1%
Magnesium 5 mg (as magnesium oxide)	1%
Phosphorus 5 mg (as monobasic potassium phosphate)	0%
Vitamin C 15 mg (as ascorbic acid)	25%
Carbohydrate Blend 1 g	**
Dextrose, Fructose, Sucrose	
Caffeine Anhydrous 100 mg	**
L-Leucine	**
L-Isoleucine	**
L-Valine	**
Taurine	**
Beta-Alanine	**
Beta-Hydroxy-Beta-Methylbutyrate (as calcium HMB) 1 g	**
Vitamin B6 (as pyridoxine hydrochloride) 1.5 mg	75%
Vitamin B12 (as cyanocobalamin) 5 mcg	83%
Vitamin D (as cholecalciferol) 5 mcg	25%
Vitamin E (as d-alpha tocopherol acetate) 5 IU	17%
Niacinamide	**
Pantothenic Acid (as calcium d-pantothenate)	**
Riboflavin (Vitamin B2)	**
Thiamin (as thiamin mononitrate)	**
Folic Acid	**
Biotin	**
Chromium (as chromium picolinate)	**
Molybdenum (as sodium molybdate)	**
Selenium (as selenomethionine)	**
Iodine (as potassium iodide)	**

** Daily Value not established.

Other Ingredients: Natural and artificial flavors, citric acid, malic acid, sucralose, acesulfame potassium, sodium benzoate, potassium sorbate, potassium citrate, gum arabic, glycerol ester of wood rosin, sodium citrate, sodium chloride, sodium phosphate, sodium ferrocyanide (as anti-caking agent), FD&C Red #40, FD&C Blue #1, FD&C Yellow #5, FD&C Yellow #6.

WARNING: Not recommended for children under 18 years of age. Not recommended for pregnant or lactating women. Not recommended for persons under 21 years of age. Not recommended for persons who are sensitive to caffeine or other stimulants. Not recommended for persons who are sensitive to sodium benzoate, potassium sorbate, sulfites, or aspartame. Not recommended for persons who are sensitive to artificial sweeteners. Not recommended for persons who are sensitive to artificial colors. Not recommended for persons who are sensitive to artificial flavors. Not recommended for persons who are sensitive to gum arabic. Not recommended for persons who are sensitive to glycerol ester of wood rosin. Not recommended for persons who are sensitive to sodium citrate. Not recommended for persons who are sensitive to sodium chloride. Not recommended for persons who are sensitive to sodium phosphate. Not recommended for persons who are sensitive to sodium ferrocyanide. Not recommended for persons who are sensitive to FD&C Red #40. Not recommended for persons who are sensitive to FD&C Blue #1. Not recommended for persons who are sensitive to FD&C Yellow #5. Not recommended for persons who are sensitive to FD&C Yellow #6. Not recommended for persons who are sensitive to citric acid. Not recommended for persons who are sensitive to malic acid. Not recommended for persons who are sensitive to sucralose. Not recommended for persons who are sensitive to acesulfame potassium. Not recommended for persons who are sensitive to potassium citrate. Not recommended for persons who are sensitive to potassium sorbate. Not recommended for persons who are sensitive to chromium. Not recommended for persons who are sensitive to molybdenum. Not recommended for persons who are sensitive to selenium. Not recommended for persons who are sensitive to iodine. Not recommended for persons who are sensitive to Vitamin B6. Not recommended for persons who are sensitive to Vitamin B12. Not recommended for persons who are sensitive to Vitamin D. Not recommended for persons who are sensitive to Vitamin E. Not recommended for persons who are sensitive to Niacinamide. Not recommended for persons who are sensitive to Pantothenic Acid. Not recommended for persons who are sensitive to Riboflavin. Not recommended for persons who are sensitive to Thiamin. Not recommended for persons who are sensitive to Folic Acid. Not recommended for persons who are sensitive to Biotin. Not recommended for persons who are sensitive to Beta-Alanine. Not recommended for persons who are sensitive to Taurine. Not recommended for persons who are sensitive to L-Valine. Not recommended for persons who are sensitive to L-Isoleucine. Not recommended for persons who are sensitive to L-Leucine. Not recommended for persons who are sensitive to Beta-Hydroxy-Beta-Methylbutyrate. Not recommended for persons who are sensitive to Caffeine Anhydrous. Not recommended for persons who are sensitive to Carbohydrate Blend. Not recommended for persons who are sensitive to Dextrose. Not recommended for persons who are sensitive to Fructose. Not recommended for persons who are sensitive to Sucrose. Not recommended for persons who are sensitive to Sodium. Not recommended for persons who are sensitive to Calcium. Not recommended for persons who are sensitive to Magnesium. Not recommended for persons who are sensitive to Phosphorus. Not recommended for persons who are sensitive to Potassium. Not recommended for persons who are sensitive to Vitamin C. Not recommended for persons who are sensitive to Chloride. Not recommended for persons who are sensitive to Iodine. Not recommended for persons who are sensitive to Selenium. Not recommended for persons who are sensitive to Molybdenum. Not recommended for persons who are sensitive to Chromium. Not recommended for persons who are sensitive to Biotin. Not recommended for persons who are sensitive to Folic Acid. Not recommended for persons who are sensitive to Thiamin. Not recommended for persons who are sensitive to Riboflavin. Not recommended for persons who are sensitive to Pantothenic Acid. Not recommended for persons who are sensitive to Niacinamide. Not recommended for persons who are sensitive to Vitamin E. Not recommended for persons who are sensitive to Vitamin D. Not recommended for persons who are sensitive to Vitamin B12. Not recommended for persons who are sensitive to Vitamin B6
