60Vcaps®

A Dietary Supplement Vegetarian Formula

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® twice daily 45 minutes before meals.

Protocol for Life Balance™ Slimaluma™ Plus contains a patented extract of *Caralluma fimbriata*, an edible succulent plant. Slimaluma™ has been clinically studied and shown to be a safe and effective dietary supplement for use in appetite and weight management.* Our Slimaluma™ Plus also features the synergistic ingredients Green Tea Extract and Yerba Maté for their antioxidant and energizing effects.* Combine with diet and exercise.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Slimaluma™ is a trademark of Genor Pacific, Inc.

Vcaps® is a registered trademark of Capsugel.

Do Not Eat Freshness Packet. Keep in Bottle.

CODE P1905 V2

While Protocol for Life Balance™ Slimaluma™ Plus is not a pill that will "melt" pounds away, it can provide you with valuable appetite management throughout your day, making it easier for you to manage your health. Combined with regular exercise, and planned healthy, nutritious meals, Slimaluma™ Plus can actually help you safely maintain a healthy weight.*

Protocol for Life Balance™ Slimaluma™ Plus contains *Caralluma fimbriata*. In tribal India, *Caralluma fimbriata* is chewed to manage appetite when hunting and is also used in the working classes in South India to manage appetite and enhance endurance.*

To supply additional energy and antioxidant benefits, this product also contains Green Tea Extract (*Camellia sinensis*) and Yerba Mate Extract (*Ilex paraguariensis*).*

Cautions and Interactions

Indicated for support of appetite and weight management as part of a diet and exercise program. At the suggested level of intake, there are no expected side effects.

Guaranteed Quality

This is an FDA-regulated dietary supplement that is produced in an FDA- and third party-inspected facility. We are certified for producing dietary supplements and USDA Organic products using Good Manufacturing Practices (GMP). All ingredients are quality tested to meet or exceed specifications. Our quality team goes above and beyond standard quality control to ensure the safety and efficacy of this supplement. We utilize advanced analytical and microbiological testing methods, with capabilities that are state-of-the-art and exceed basic lab requirements.
