Notice: Fast-Melt tablets are uncoated and delicate. Excessive handling may result in tablet powdering. Please handle with care.

CoQmelt® is a registered trademark of Douglas Laboratories®.

Suggested Usage: Adults take one tablet daily or as directed by your healthcare professional. Place tablet on top of tongue and allow tablet to dissolve while gently pressing tongue against roof of mouth. Tablet will disintegrate in 1-2 minutes.**

**Not a sublingual tablet. Fast-Melt tablets are designed for their contents to be swallowed after tablet disintegrates.

This product contains NO yeast, wheat gluten, soy protein, milk/dairy, corn, sodium, sugar, starch, artificial coloring, preservatives or flavoring.

CoQmelt® is formulated using patented Fast-Melt technology. This technology is designed to allow the tablet to begin dissolving immediately on contact with saliva. As the tablet melts the liquid is swallowed.

KEEP OUT OF REACH OF CHILDREN.

For optimal storage conditions, store in a cool, dry place. (59°-77°F/15°-25°C) (35-65% relative humidity). Tamper-resistant package, do not use if outer seal is missing. Keep lid tightly closed after opening.

Tablet technology protected under patent #6,149,938.

Formula #98671
