*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1) capsule two or three times daily, preferably with meals.

Soy is a rich, plant-based source of phytoestrogens, naturally occurring compounds that help with hot flashes in menopausal women.* Made from non-GMO certified soybeans, Soy Isoflavones provide holistic supplementation for a woman's midlife years.*

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
