Directions: For adults, take one (1) capsule two to three times daily, preferably with a meal.

Acetyl L-Carnitine and Alpha Lipoic Acid form an excellent combination for promoting metabolic functioning to fight against free radicals and oxidative stress.* Free radicals can contribute to oxidative stress, which in turn may contribute to the premature aging of cells.* As a supplement, Acetyl L-Carnitine and Alpha Lipoic Acid can be used as part of a healthy aging program.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
