Directions: For adult men, take one (1) to four (4) softgels daily, preferably with meals.

Pumpkin seeds are a natural source of phytochemicals that have traditionally been used to support prostate and urinary health.* Through a unique cold processing method, the pumpkin seeds are pressed at very cold temperatures to preserve the active constituents.

WARNING: This product is intended for use by men and is not intended for use by women. If you are taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
