*These statements have not been evaluated by
the FDA. This product is not intended to
diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1) to two (2)
softgels daily, preferably with a meal.

Regular Co Q-10 supplements must be converted
in the body to Ubiquinol to provide antioxidant
protection.* By supplementing with Ubiquinol, you
are providing your body with an active form that is
ready to fight free radicals.* Oxidative stress from
free radicals can lead to the premature aging of
cells.* Ubiquinol also supports heart health.*
Statin drugs can reduce Co Q-10 levels in the
body. Co Q-10 can replenish what statin drugs can
deplete. Note: Co Q-10 is not intended to serve as
a replacement for Statin therapy, nor should you
discontinue taking any prescribed medications
while supplementing with Co Q-10.

WARNING: If you are pregnant, nursing or taking
any medications, consult your doctor before use.
Discontinue use and consult your doctor if any
adverse reactions occur. Keep out of reach of
children. Store in a cool, dry place. Do not use if
seal under cap is broken or missing.
