*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take two (2) softgels one to two times daily, preferably with meals.

CLA is scientifically designed with a balanced ratio of c9,t11 and t10,c12 isomers. These bioactive ingredients help you achieve a healthy and toned body composition.* Evidence suggests these isomers work by modulating oxidative enzyme activity as well as energy metabolism.* Premium grade formula uses only plant-based sources of CLA and contains no natural or artificial stimulants of any kind.

Use with a reduced calorie diet and daily exercise program.

It is important to check with your health care practitioner before beginning any diet and exercise program.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
