***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Directions: For adults, take one (1) softgel daily, preferably with a meal.

Vitamin K-2, also known as Menaquinone, supports normal blood clotting in the body.* K-2 also activates enzymes responsible for bone formation and works synergistically with Vitamin D to promote bone health.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.

MenaQ7™ is a trademark of NattoPharma, Norway.
