GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

Please recycle this box.

Iron is a vital nutrient that plays an essential role in forming healthy red blood cells and transporting oxygen. It is also involved in energy utilization and muscle function.* Unfortunately, many people who should be supplementing with iron do not due to concern of stomach distress. GNC Gentlesorb Iron™ features a bioavailable form of hydrolyzed protein chelate that is clinically proven to be gentle on the stomach. Gentlesorb Iron™ is a unique form that closely mimics the iron found in natural, organic sources. This iron is bound to amino acids which function like a "cage," surrounding and protecting the mineral. Clinical studies have demonstrated that this form of iron is effectively absorbed and well-tolerated.*
