*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1) capsule three times daily on an empty stomach.

Collagen is an amino acid-rich substance found naturally in the body. It forms the supporting structure for connective tissues, and supplies important amino acids for the hair, skin and nails.* Since levels can decrease with age, supplementing with Hydrolyzed Collagen can support the beauty of hair, skin and nails.* Our formula is standardized for 10% Hyaluronic Acid, a polysaccharide. Hyaluronic Acid is found naturally in the body, and serves as an important component of skin health.* By scientifically isolating polysaccharides, we ensure that they remain at consistent levels with each dose.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
