Directions: For adults, take one (1) tablet, one to two times daily, preferably with a meal.

Lack of adequate Vitamin D has been linked to many health related concerns, and absorption decreases as we age. Since natural dietary sources of Vitamin D are limited, it is essential to supplement daily with Vitamin D for optimum health.* Vitamin D plays a critical role in the maintenance of strong bones and teeth.* Our high-potency Vitamin D formula features D3, a potent and active form of Vitamin D.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
