Found in a variety of fruits and vegetables, Beta-Carotene is famous for giving carrots a rich orange color. This provitamin A is part of the Carotenoid family and readily converts to Vitamin A in the system when needed. Beta-Carotene is an immune system enhancer and antioxidant.* Antioxidants help fight cell-damaging free radicals in the body.* Free radicals can lead to oxidative stress, which, studies show, contributes to aging.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
