90Vcaps®

A Dietary Supplement Vegetarian Formula

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® daily.

Protocol For Life Balance™ Vein Integrity™ is an herbal vascular support supplement whose ingredients encourage healthy vascular function.* Vein Integrity™ contains the patented ingredient, Trunorin® plus a synergistic combination of Butcher's Broom, Horse Chestnut Seed Extract, and Grape Seed Extract. Together, these herbs provide powerful support for healthy vascular tone and integrity.*

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Do Not Eat Freshness Packet. Keep in Bottle.

Store in a cool, dry place. Please Recycle.

CODE P3123 V2

Protocol For Life Balance™ Vein Integrity™ is an herbal vascular support supplement whose ingredients encourage healthy vascular function.* Vein Integrity™ contains the patented ingredient, Trunorin® plus a synergistic combination of Butcher's Broom, Horse Chestnut Seed Extract, and Grape Seed Extract. Together, these herbs support vascular health and to promote healthy vascular tone.*

Horse Chestnut is a very commonly used herb in Europe. It has been used worldwide to promote healthy circulation throughout the veins, and, to help support normal vessel tone.*

Grape Seed Extract is a natural plant substance that is extremely concentrated in OPC, antioxidants (these protect cells from free radical damage). Traditionally, Grape Seed Extract has been used as a very powerful antioxidant to support vascular and respiratory health.*

Butcher's Broom, once used by butchers to clean their cutting boards, is a low, shrubby, evergreen plant, found frequently in woods or bushy places. Historically, the herb was taken to nutritionally support the circulatory system.*

Trunorin® contains a unique pair of natural alkaloids standardized in the extract of prickly ash bark that enhances vascular blood flow.*

Cautions and Interactions
Horse chestnut may negatively interact with anticoagulant medications.

Guaranteed Quality
This is an FDA-regulated dietary supplement that is produced in an FDA- and third party-inspected facility. We are certified for producing dietary supplements and USDA Organic products using Good Manufacturing Practices (GMP). All ingredients are quality tested to meet or exceed specifications. Our quality team goes above and beyond standard quality control to ensure the safety and efficacy of this supplement. We utilize advanced analytical and microbiological testing methods, with capabilities that are state-of-the-art and exceed basic lab requirements.
