Ultra KLB6® is an advanced diet formula,
containing key ingredients at higher
potencies for the "ultra" advantage. These
include Vitamin B-6, which promotes the
metabolism of carbohydrates and energy,
Soy Lecithin and Cider Vinegar, popular in
diet products for their beneficial actions, and
Kelp, which is a natural source of Iodine to
promote the body's metabolic processes.*
Supplement your reduced-calorie diet and
exercise program with Ultra KLB6® to help
you achieve your dieting goals.*

WARNING: If you are pregnant, nursing or taking any
medications, consult your doctor before use. Discontinue
use and consult your doctor if any adverse reactions occur.
Keep out of reach of children. Store in a cool, dry place. Do
not use if seal under cap is broken or missing.

KLB6® is a licensed registered trademark of NBTY, Inc.
