diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1)
softgel one to two times daily, preferably
with a meal.

Vitamin C and Vitamin E play important
roles in supporting antioxidant health and
immune system wellness.* Some scientific
evidence suggests that consumption of
antioxidant vitamins such as Vitamin C and
Vitamin E may reduce the risk of certain
forms of cancer. However, the FDA has
determined that this evidence is limited and
not conclusive.

WARNING: If you are pregnant, nursing, taking any
medications or planning any medical procedure, consult your
doctor before use. Discontinue use and consult your doctor
if any adverse reactions occur. Keep out of reach of children.
Store in a cool, dry place. Do not use if seal under cap is
broken or missing.
