This product is not intended to diagnose, treat, cure
or prevent any disease.

Directions: For adults, take one (1) softgel three times daily, preferably with a meal.

Our Flaxseed Oil is an edible oil derived from the seeds of the Flax plant (*Linum usitatissimum*) and is one of the best sources of the Omega-3 fatty acid alpha-linolenic acid available. It also provides one of the most concentrated plant sources of Omega-3 fatty acids found in nature. This product contains all three Omega fatty acids, plus other fatty acids, and comes in a larger dosage size to ensure you are getting all of the benefits Flaxseed Oil is famous for providing. Our Flaxseed Oil for softgels is dispensed and processed under a nitrogen blanket to safeguard it from oxygen exposure. In addition, the oil is dispensed under special yellow lights to protect against white light. Then our product is encased in an amber-colored gelatin shell to continue to protect the active elements from white light. This ensures that our Flaxseed Oil retains its integrity. Through a unique cold processing method, the flaxseeds are pressed at very cold temperatures and are processed without solvents.

The Flaxseed Oil in this product is 100% SOLVENT FREE

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
