*These statements have not been
evaluated by the FDA. This product is not
intended to diagnose, treat, cure or
prevent any disease.

Directions: For adults, take one (1)
softgel daily, preferably with a meal.

A provitamin is a substance that can be
converted to an active vitamin in the
body. Beta-Carotene is a provitamin of A,
and is readily converted into Vitamin A as
needed by your body. Beta-Carotene is
also an immune system enhancer with
powerful antioxidant properties.
Antioxidants help fight cell-damaging
free radicals in the body, which can lead
to oxidative stress and contribute to the
premature aging of cells.*

WARNING: If you are pregnant, nursing or taking any
medications, consult your doctor before use. Discontinue
use and consult your doctor if any adverse reactions occur.
Keep out of reach of children. Store in a cool, dry place. Do
not use if seal under cap is broken or missing.
