Directions: For adults, take one (1) capsule daily, preferably with a meal. Capsules may be opened and prepared as a tea.

Turmeric helps support the immune system.* Our product contains 50 mg of Turmeric extract standardized for 95% Curcuminoids, the active ingredients in this herb. Curcuminoids are primarily responsible for Turmeric's positive support of immune system health and its antioxidant properties.* These plant-based antioxidants help fight against cell-damaging free radicals in the body.* By scientifically isolating the active constituent, we ensure that it remains at consistent concentration levels with each dose.* This formula also contains the added natural whole herb benefit of Turmeric root.

Good 'N Natural's Natural Whole Herb products utilize ground plant parts to provide the natural components found in nature.

WARNING: If you are pregnant, nursing, taking any medications or have a medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
