Saw Palmetto contains phytochemicals, which support prostate health and urinary health in men.* Our Saw Palmetto is full assayed, and standardized for 85% free fatty acids & active sterols, constituents that have shown to have a broad range of health benefits. By scientifically isolating active constituents, we ensure that they remain at consistent concentration levels with each dose.

WARNING: This product is intended for use by men and is not for use by pregnant or nursing women. If you are taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
