*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1) capsule one to two times daily, preferably with a meal.

Acetyl L-Carnitine is responsible for long-chain fatty acid transport for ATP production within the mitochondria.* Scientific studies show that Acetyl L-Carnitine promotes brain metabolism, memory and cognitive function, especially relating to mild memory problems associated with aging.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
