Directions: For adults, take one (1) caplet daily, preferably with a meal.

Zinc is an antioxidant that provides immune support and plays a role in over 300 enzymes in the body.* It is essential for cell division and growth, and assists in the formation of DNA, the cell's genetic material.* Zinc offers additional benefits as it assists in the proper functioning of the hormone insulin.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Brown speckles may appear within caplet.
