*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: Adults, take three (3) tablets two to three times daily, preferably with meals.

Athletes are always looking for supplements that work just as hard as they do. NOS contains Arginine, an amino acid which can be involved in the formation of nitric oxide.* Nitric Oxide is important for helping to support circulation and muscles.* Dietary intake is important for plasma Arginine levels, so if you're serious about your commitment to fitness include NOS as part of your daily supplement program.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
