GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

GNC Triple Strength Fish Oil plus Resveratrol combines a total of 900 mg of heart-healthy omega-3 fatty acids, EPA and DHA, with 125 mg of trans-resveratrol the potent cell protector and polyphenol found in the skin of red grapes and in some plants and berries. This formula has been enteric coated to control or reduce fishy burps by allowing the softgel capsule to break down and absorb in the small intestine.

GNC Triple Strength Fish Oil plus Resveratrol offers many health benefits:

The omega-3 fatty acids found in fish oil:

- Are necessary for heart health and help support healthy joints*
- Support normal, healthy cholesterol levels and are necessary in the maintenance of normal blood pressure*
- Support skin health*

Resveratrol:

- Helps protect against free radicals that can destroy healthy cells, damage tissue and promote the cell-aging process*

GNC Triple Strength Fish Oil plus Resveratrol has been purified and manufactured for freshness and found to be free of detectable levels of mercury, cadmium, lead and PCBs. We use only the best quality ingredients derived from wild, deep ocean fish.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
