ACTUAL SIZE

⁴In a randomized, double-blind, placebo controlled clinical study, 87 volunteers were supplemented with either 300 mg of Neptune Krill Oil or placebo. After 30 days, subjects receiving Neptune Krill Oil had a significant decrease in CRP, a biomarker for heart and joint health, as well as significant improvements in joint comfort, joint function and stiffness.

GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

GNC Triple Strength Fish Oil plus Krill combines 300 mg of clinically proven Neptune Krill Oil with Triple Strength Fish Oil providing 900 mg of the omega-3 fatty acids EPA and DHA. These essential fatty acids support normal, healthy cholesterol levels and are necessary for heart health and the maintenance of normal, healthy blood pressure.* Plus, EPA and DHA support healthy joints and skin and promote optimal eye and brain function.*

Neptune Krill Oil Benefits:

- Delivers superior bioavailability of the omega-3 fatty acids, EPA and DHA, compared to other omega-3 sources. These omega-3 fatty acids are uniquely bound to phospholipids, enhancing their absorption.
- Fast-acting, clinically proven to improve joint comfort and function.⁴
- Clinically proven to reduce C-Reactive Protein (CRP) levels by 30%, a key marker of joint and heart health.⁴

Neptune Krill Oil is Clinically Proven to Reduce C-Reactive Protein (CRP) Levels by 30%, A Key Marker of Joint and Heart Health⁴

- Provides critical antioxidants like astaxanthin with higher antioxidant activity than other popular antioxidants to combat harmful free radicals associated with cell-aging.*

Triple Strength Fish Oil Benefits:

- Delivers a high potency of 900 mg of the omega-3 fatty acids, EPA and DHA.
- A landmark study involving over 11,000 participants has confirmed the major benefits of fish oil on cardiovascular health.*

Blended with 100% Pure Neptune Krill Oil -

Neptune Krill Oil is manufactured by  NEPTUNE

Krill are tiny crustaceans that live in the cold waters of the Antarctic. The fish oil in GNC Triple Strength Fish Oil plus Krill has been purified and manufactured for freshness and found to be free of detectable levels of mercury, cadmium, lead and PCBs.

The enteric coating controls or reduces fishy burps by allowing the softgel capsule to break down and absorb in the small intestine.
