

ImmunoComplex® contains the world's most researched immune health ingredients in dosages supported by human clinical studies, including :

- AHCC from Japanese medicinal mushrooms, shown to increase activity of NK cells and cytokines, backed by 26 PubMed-listed studies and used in over 1000 clinics.*
- A blend of three clinically researched immune-boosting herbal extracts standardized to key bioactive components.
- Vitamins and minerals necessary for healthy immunity but frequently deficient in our diet, including highly absorbable forms of Vitamin C, D and Zinc (OptiZinc®).*

OptiZinc® is a registered trademark of InterHealth Nutraceuticals, Inc.

WARNING: DO NOT USE IF SEAL IS BROKEN OR MISSING. Keep out of reach of children. Store at room temperature. Consult your healthcare professional before use if you are pregnant or lactating, have or had a medical condition, or are taking prescription drugs.*
