*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take one (1) to three (3) softgels just before eating a meal, food or drink that contains lactose. Take one (1) softgel with medication or vitamins that contain lactose. These softgels should be swallowed, and should not be added directly to milk or other dairy products.

Many factors can contribute to poor digestion, including lactose intolerance. Lactase is a digestive enzyme that helps break down the sugar in milk and dairy products.* Milk and dairy products are important sources of Calcium. Supplementing with Lactase Enzyme can make milk more readily digestible to your system.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
