## Supplement Facts

Serving Size 6 tablets • Servings Per Container 30

| Amount Per Serving                                                                                        | %DV    | Amount Per Serving                                                 | %DV    |
|-----------------------------------------------------------------------------------------------------------|--------|--------------------------------------------------------------------|--------|
| Vitamin A..... 15,000 IU<br>(as palmitate and 33% [5,000 IU] as natural<br>beta-carotene from D. salina)  | 300%   | Zinc (as zinc amino acid chelate)..... 30 mg                       | 200%   |
| Vitamin C..... 1,200 mg<br>(as calcium ascorbate and magnesium/<br>potassium aspartate-ascorbate complex) | 2,000% | Selenium..... 200 mcg<br>(as selenium amino acid complex)          | 286%   |
| Vitamin D3 (from fish liver oil)..... 200 IU                                                              | 50%    | Copper..... 2 mg<br>(as copper amino acid chelate)                 | 100%   |
| Vitamin E..... 400 IU<br>(as d-alpha tocopheryl succinate)                                                | 1,333% | Manganese..... 20 mg<br>(as manganese amino acid chelate)          | 1,000% |
| Vitamin K1 (as phytonadione)..... 60 mcg                                                                  | 75%    | Chromium..... 200 mcg<br>(as chromium polynicotinate)              | 167%   |
| Thiamine..... 100 mg<br>(as thiamine mononitrate)                                                         | 6,667% | Molybdenum..... 150 mcg<br>(as molybdenum amino acid chelate)      | 200%   |
| Riboflavin..... 50 mg                                                                                     | 2,941% | Potassium..... 99 mg<br>(as potassium aspartate-ascorbate complex) | 3%     |
| Niacin..... 190 mg<br>(as niacinamide and niacin)                                                         | 950%   |                                                                    |        |
| Vitamin B6..... 50 mg<br>(as pyridoxine hydrochloride)                                                    | 2,500% | Choline (as choline bitartrate)..... 150 mg                        | *      |
| Folic acid..... 800 mcg                                                                                   | 200%   | Inositol..... 50 mg                                                | *      |
| Vitamin B12..... 100 mcg<br>(as cyanocobalamin on ion exchange resin)                                     | 1,667% | Vanadium (as vanadyl sulfate)..... 39 mcg                          | *      |
| Biotin..... 300 mcg                                                                                       | 100%   | Boron (as boron aspartate-citrate)..... 2 mg                       | *      |
| Pantothenic acid..... 400 mg<br>(as d-calcium pantothenate)                                               | 4,000% | para-Aminobenzoic acid..... 50 mg                                  | *      |
| Calcium..... 500 mg<br>(as calcium citrate and calcium ascorbate)                                         | 50%    | Citrus bioflavonoids..... 100 mg                                   | *      |
| Iodine (from kelp)..... 150 mcg                                                                           | 100%   | Cysteine..... 250 mg                                               | *      |
| Magnesium..... 500 mg<br>(as magnesium aspartate-ascorbate<br>complex and magnesium amino acid chelate)   | 125%   | Methionine (as D,L-methionine)..... 62.5 mg                        | *      |

\*Daily Value not established.

Other ingredients: Modified cellulose gum, methylcellulose, silica, vegetable stearine, cellulose, titanium dioxide, magnesium stearate, gum ghatti, natural tangerine flavor and canthaxanthin (carotene color).
